Subject: IBEC: Supplemental noise monitoring report
Attachments: IBEC Supplemental Noise Technical Memo.docx

Hello, Heidi and Addie,

I am attaching the supplemental noise monitoring information we received from AECOM. The report preparer and AECOM noise expert, Chris Kaiser, could be available to discuss this report, and potential noise issues in general, any time on Monday 5/13 or Tuesday 5/14 if there is a time that works for you on those days.

Thanks,
Dennis
