**Subject:** Re: Canceled: IBEC - Construction follow-up

I just talked to Eric and he's working on it, hopes to have something tomorrow or latest by Tuesday morning. Would 3:30 work for a call for ESA to discuss on Tuesday?

Ok, thanks for the update. We will continue working on operations but please let us know when Eric has the updated information so we can discuss.

Thanks again.

Hi, Anitra,

Eric from AECOM has been stuck in some depositions on another project this week, and we've asked him to do some additional work on these assumptions, hence the delay. Can we do some time after 3:30 on Tuesday for this call?

Thanks,  
Dennis

Will reschedule for either tomorrow afternoon or Friday. Dennis to update us when new information is available.

Discuss construction equipment.

I hope this time works for you. If not please propose another time. Thank you.
