Subject: Re: Stetson Water Report

Hi, Addie,

8.1 is the correct value – the individual demand rates listed in the table in Appendix C are rounded up in the display, but the total of all is 8.138; the expanded values in the table are below:

GPD per Employee	GPD per Employee
2.3	2.250
0.3	0.263
0.3	0.250
4.4	4.400
0.4	0.375
0.6	0.600
8.1	8.138

Hi, Addie,

I'm checking with Stetson – think it might be a rounding issue, but I'll let you know when I get a response.

Thanks,
Dennis

Subject: Stetson Water Report

Hi Dennis,

In reviewing the Stetson water supply analysis, there appears to be a typo on page 34/37 of this PDF where the GPD per employee actually adds up to 8.3 GPD and not 8.1. Please confirm and update as needed.
